

TOOL BACKPACK

Technician's Tool Bag MA03-7503

Ripley's multi-functional heavy-duty tool bag features 15 pockets to carry every tool needed on the jobsite and keep fiber optic technicians and electricians organized.

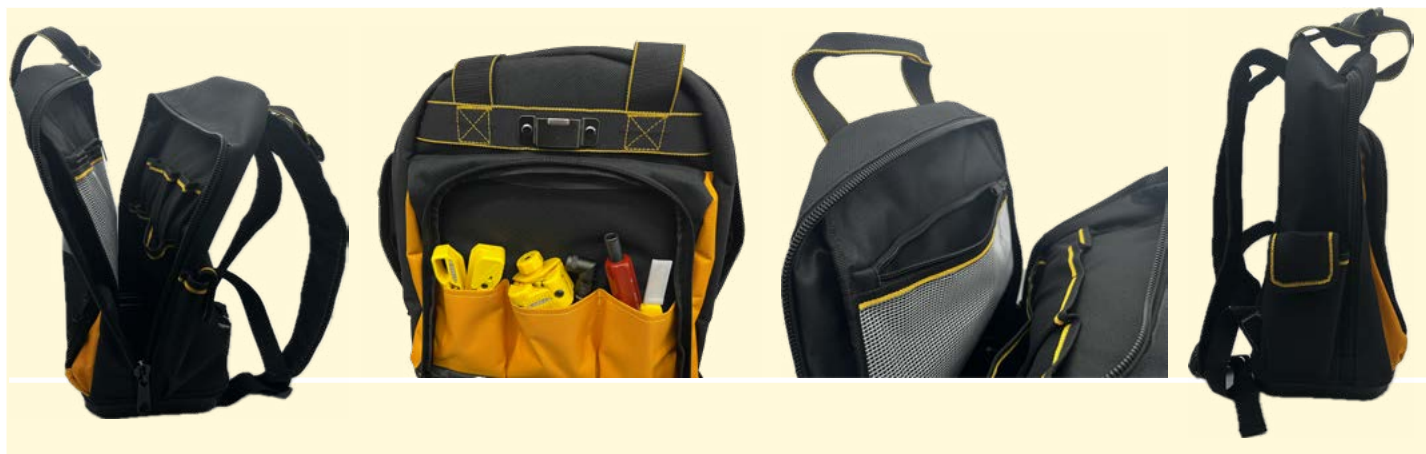

Get the job done faster with every tool comfortably in one place.

Our MA03-7503 tool backpack is designed to tackle the most complex installs, with room for over 25 of Ripley's industry leading fiber optic cable prep or low voltage distribution tools.

Technicians know they have to be ready for any challenges once they're on site, but knowing exactly what is waiting for them is impossible. That's why Ripley designed a tool bag with enough storage to bring the shop to the job site.

Features

- Reinforced, waterproof base keeps the bag upright even when open and full of tools
- Heavy-duty, water resistant 1680D ballistic nylon
- Padded back & reinforced shoulder straps for comfort and durability
- Utility clip & heavy-duty carrying handles to allow the bag to be hung or clipped in on the truck or on site
- Size: 2.875" x .875" x 2.125" (33 x 17.5 x 41 cm)
- Weight 3.26 lb (1.48 kg)

A proud member of the Hubbell family.
